Exhibitors

Jisc offers digital services and solutions for UK education and research. The charity does this to achieve its vision for the UK to be the most digitally advanced education and research nation in the world.

Working together across the higher education, further education and skills sectors, Jisc provides trusted advice and support, reduces sector costs across shared network, digital content, IT services and procurement negotiations, ensuring the sector stays ahead of the game with research and development for the future.

Find out more at www.jisc.ac.uk

RAISE is a network of academics, practitioners, advisors and student representatives drawn from the Higher Education Sector who are working and/or interested in researching and promoting student engagement.

The network creates opportunities to come together for beneficial scholarly discussion and creating collaborative projects, sharing good practice and lobbying for investment and better policies locally, sectorally and across our international community.
